

SWIMMING AND MEMBERSHIP FEES

After the initial assessment (trial) new members must complete the following before they are able to swim

1. Membership Forms and First Payment

- Complete the Marlborough Penguins Membership form (all sections please)
- Complete the Marlborough Penguins Health Questionnaire
- Email the 2 completed forms to membership@marlboroughpenguins.com
- Calculate your first months swim fees by adding together the Annual Membership fee of £49 (or £25 if joining Oct-Dec 2026) and first Months' swim fees (calculate using table below). Make an electronic payment for the amount to the Clubs bank account as follows: **Barclays Bank, Swindon, Sort Code 20-84-58, Account code, 43692108**
- Please complete the above steps within 2 weeks from the date of your trial, otherwise swim session places may be re-allocated.

2. Set up a Standing Order (SO) for the payment of monthly swim fees

- Set up a regular monthly SO payment between the 5th and 25th of each month for the monthly swim fees calculated using the table below. Please use a reference for your payment as follows "Swimmer's initial(s) Swimmer's surname, swim fees".
- Bank account details are as follows;
Barclays Bank, Swindon, Sort Code 20-84-58, Account code, 43692108

3. Monthly Swim Fees

Monthly Swim Fees per swimmer, per Squad/Academy/Learn to Swim (LTS) – from January 2026

Number of sessions per week	Learn to Swim Groups 1-7	Group 8 – Lengths	Squads – Lengths	Masters
1	£18	£21	£21	£21
2	£34		£38	£38
3			£53	
4			£68	
Swim/Gym			£30	
Bath			£24	

(calculate the number of swims per week per swimmer so if you have two swimmers each swimming once a week in Group 8 or Squad then the Standing Order should be £21 + £21 =£42)
